Important Health Plan Information

Care for You
Nurse Advice Line

1-800-606-9880
TDD/TTY 1-800-648-6056

Expert health care advice 24/7!
Place this magnet on your refrigerator or keep it near your phone.

Program the number into your cell phone. You’ll have quick access to our nurses wherever you go.

For life-threatening emergencies, always call 911 or go to your local emergency room.

If you or someone in your family gets sick, hurt or has a health question, the Nurse Advice Line is the best place to call. When you call, you’ll speak to a registered nurse who will help you get the answers you need. Our nurses will help you decide what to do next or direct you to the right level of care. The Nurse Advice Line is here when you need it most. Just call 1-800-606-9880 for expert advice at your fingertips!

If you are not sure if you need to see a doctor, the Nurse Advice Line is a great place to start. Call us at 1-800-606-9880 any time — even in the middle of the night or on weekends. We’re here for you 24 hours a day, seven days a week. There’s never any cost. Our nurses will help you decide if you need to see your doctor, go to an urgent care or if you can take care of your symptoms at home.
Medical Advice for You and Your Family
