

Subject: **Diecto Liquid and Diecto Syrup Recall**

Our records show that you may be taking Diecto Liquid/Diecto Syrup. On 8/3/2017, the Food and Drug Administration (FDA) issued a notice that this medicine has been taken off the market. This medicine has been recalled because of risk of product contamination. It may be removed from the market for a short time or forever.

We'll let your doctor know about this change. Please talk with your doctor to find out what to do and to see if there is another medicine you can take. If you have any questions about Diecto Liquid/Diecto Syrup, please call your doctor or pharmacist. If you have any questions about this letter, please call Member Services at 1-800-578-0603.

Sincerely,
