Targeted Case Management Update

Sent: February 27, 2015

To: Passport Community Mental Health Center Providers

Background:

On 9/16/14, Governor Steven L. Beshear signed the Emergency Kentucky Administrative Regulations and started the Ordinary Kentucky Administrative Regulation process regarding the new coverage provisions and requirements for Targeted Case Management. We look forward to our members having the opportunity to obtain these valuable services. Please see the guidelines below for the provision of these services.

Provider Action Needed:

1. Please ensure that you are contracted to provide these services. You may need to obtain a single case agreement to provide these services if you have already received your Medicaid Provider number, but are still completing the contracting, credentialing, and loading process. If you have successfully joined the provider network and are a provider type that is eligible to provide targeted case management, please verify that these services are included in the list of services you are contracted to provide.
2. Substance Use Disorder Targeted Case Management and Co-Occurring Mental Health Disorders for Chronic or Complex Physical Health Conditions Targeted Case Management will require prior authorization. Severe Emotional Disability (SED) and Severe Mental Illness (SMI) Targeted Case Management do not require pre-authorization for CMHC's at this time. Please complete an e-Services Outpatient Request Form within the first two weeks of beginning the provision of the service for the types requiring pre-authorization.
3. Providers of case management and their supervisors (if practicing under supervision) will need to have successfully completed case management training approved by the Department for Behavioral Health, Developmental and Intellectual Disabilities as outlined in the 907 KAR 15:050, Section 4.
4. Targeted Case Management is an available service for Individuals with:
 - Substance Use Disorders (SUD)
 - Co-Occurring Mental Health Disorders for Chronic or Complex Physical Health Conditions (CCC)
 - Severe Emotional Disability (SED)

- Severe Mental Illness (SMI)
