

Inside “Inside Passport”

What: “Inside Passport” is a special website devoted to information related to Passport Health Plan, the Kentucky Medicaid program, the state of health care in general, and much more.

When: The website is updated constantly, and a weekly newsletter is emailed to subscribers every Thursday.

Topics that are included:

- Information about Passport Health Plan and our programs
- The overall Kentucky Medicaid program
- The state of health care in general
- Information about special events and resources in your community
- Industry news that affects our members, our partners, and community advocates
- Special programs that may benefit people in your community
- Educational information to help you, your loved ones, and your community improve the health and quality of your lives
- Press releases and other announcements from Passport Health Plan
- Other important health care and Medicaid-related news

Where: “Inside Passport” is available online at passporthealthplan.com/news.

Who: Anyone can enter their email address at this website to receive the weekly newsletter.

Contact: If you have any questions about this **Inside Passport** service or would like to submit information for possible inclusion, contact [Michael Rabkin](mailto:Michael.Rabkin@passporthealthplan.com), Passport Health Plan Communications Director, at Michael.Rabkin@passporthealthplan.com. If you have any questions about Passport Health Plan in general, call 1-800-578-0603 or send us an email using our **email contact form**, online at passporthealthplan.com/contact-us-form
