## **Partial Hospitalization: Permitted for Outpatient Hospital Setting and CMHC only**

From: Passport Health Plan  
Sent: June 14, 2016  
To: Passport Hospital, CMHC and BHSO Providers

### **Background:**

Partial hospitalization is reimbursed in outpatient hospital settings and Community Mental Health Centers (CHMCs) only. Behavioral Health Services Organizations (BHSOs) are not a qualified entity (licensed) to provide and bill for this service. Please see [902 KAR 2:430](#) for details.

The only entities that are permitted to provide partial hospitalization are:

- A hospital as outpatient services at [907 KAR 10:014](#)
- A psych hospital as outpatient psychiatric services at [907 KAR 10:020](#)
- A Community Mental Health Center at [907 KAR 1:044](#)

### **Provider Action Needed:**

Effective July 15, 2016, BHSOs will no longer be reimbursed for partial hospitalization. Please see [907 KAR 15:020](#) for a list of services that BHSOs can provide.
