

SUPPORTING OUR PROVIDER PARTNERS THROUGH COMMUNICATION AND COLLABORATION

Eight Hours of psychological assessment Allowed Without Preauthorization

From: Passport Health Plan
Sent: July 1, 2016
To: Passport CMHC, BHSO and Hospital Providers

Background:

Historically, all psychological assessment required a preauthorization. However, the first eight hours of psychological assessment no longer requires preauthorization.

Provider Action Needed:

Effective immediately, no preauthorization is required for the first eight hours of psychological assessment. Any requests beyond eight hours will require a preauthorization.

Questions:

If you have questions about this communication, or need a preauthorization, please call (855) 834-5651.
