

SUPPORTING OUR PROVIDER PARTNERS THROUGH COMMUNICATION AND COLLABORATION

Modifier and Rate Changes for BHSOs

From: Passport Health Plan
Sent: September 8, 2016
To: Passport Behavioral Health Service Organizations

Background:

Passport Health Plan will be updating its systems to reflect the recent fee schedule updates made by the Kentucky Department for Medicaid Services (DMS).

Provider Action Needed:

Effective October 1, 2016:

- Community Support Associates (CSA) should use the **UC modifier**, replacing the HN modifier. Passport will continue to accept the HN modifier until December 31, 2016, after that time, only the UC will be accepted.
- Certified Alcohol and Drug Counselors (CADC) must use the **U6 modifier** when submitting claims. The level of reimbursement will decrease from a Master's level to an Associate level.
