

SUPPORTING OUR PROVIDER PARTNERS THROUGH COMMUNICATION AND COLLABORATION

2016 Workshop Webinars Scheduled November 1 and 3

From: Passport Health Plan
Sent: October 14, 2016
To: Passport Providers

Background:

Passport Health Plan holds annual workshops as an educational opportunity for providers. Passport understands that attendance is not always possible at the workshop venues, so this year there will also be webinars so you can attend from anywhere in Kentucky!

The annual workshops cover important information you need to know, and highlight other managed care information that is good to know.

Provider Action Needed:

If you were unable to attend any of the four workshops, please register now for either the November 1 (10:30-11:30 am EDT) or November 3 (1:00-2:00 pm EDT) Workshop Webinar.

Questions:

For questions about the webinars, please call Provider Services at 800-578-0775 or contact your [provider relations specialist](#).
