Subject: **Levothyroxine and Liothyronine Manufactured by Westminster Pharmaceuticals**

On August 9, 2018 the Food and Drug Administration (FDA) issued a notice that the medicine(s) listed above have been taken off the market. These medicines have been recalled because of concerns with the manufacturing process. They may be removed from the market for a short time or forever.

Members and providers potentially impacted by this recall will receive a letter in the mail. If you receive a letter, please talk with your doctor to find out what to do and to see if there is another medicine you can take. If you have any questions about the medicines listed above, please call your doctor or pharmacist. If you have any questions about this letter, please call Member Services at the number on the back of your health plan membership card.

Sincerely,
