Passport is an existing plan sponsor with CVS Caremark®. Effective **June 3, 2019**, Passport will make the following formulary changes.

Based on these changes, some products may no longer be covered by the plan or may require additional prescriber action to be covered.

Beginning June 3, 2019, Passport will limit coverage for blood glucose test strips and meters for their Medicaid plans. Current impacted members have received letters notifying them of this change. Please see tables on page 2 for a list of specific covered NDC numbers. The new covered test strips will be:

- Accu-chek test strips by Roche Diagnostics (used with Accu-chek meters)
- Freestyle test strips by Abbott Laboratories (used with Freestyle meters)

Follow these next steps:

1. Review the tables below for changes that may impact your patients as of June 3, 2019.
2. Speak with your patients about their covered diabetic supply options and how this change in benefit may affect them if they continue to use their existing blood glucose test strips and meter(s).
3. Have the prescriber call in, fax or e-prescribe a new prescription for covered blood glucose test strips and meter, or work through the prior authorization process, where applicable.

Accu-chek and Freestyle offer a free meter program. To inquire about this program, please contact the CVS Caremark Member Services Diabetic Meter Team at 1-800-588-4456.

The recipient of this fax may make a request to opt out of receiving telemarketing fax transmissions from CVS Caremark. There are numerous ways you may opt out: The recipient may call the toll-free number at 877-265-2711 and/or fax the opt-out request to 401-652-0893, at any time, 24 hours a day/7 days a week. The recipient may also send an opt-out request via email to do_not_call@cvscaremark.com. An opt-out request is only valid if it (1) identifies the number to which the request relates, and (2) if the person/entity making the request does not, subsequent to the request, provide express invitation or permission to CVS Caremark to send facsimile advertisements to such person/entity at that particular number. CVS Caremark is required by law to honor an opt-out request within thirty days of receipt. **An opt-out request will not opt you out of purely informational, non-advertisements, Caremark pharmacy communications such as new implementation notices, formulary changes, point-of sale issues, network enrollment forms, and amendments to the Provider Manual.**

This communication and any attachments may contain confidential information. If you are not the intended recipient, you are hereby notified that you have received this communication in error and that any review, disclosure, dissemination, distribution, or copying of it or its contents, is prohibited.
